1. INTRODUCTION

Ozee Markets Booking Manager allows you to search for your desired market locations, in a few simple steps.

Stallholders can search for listed markets available in locations that you are interested in and view real-time availability for the listed dates

2. GLOSSARY

- A. **Markets:** These are markets uploaded by the Market Organisers.
- B. **Real-time availability:** You can distinguish the stall availability by color indicator.
- C. **Market Map:** This is the layout of the market to check the availability of stalls in the market.

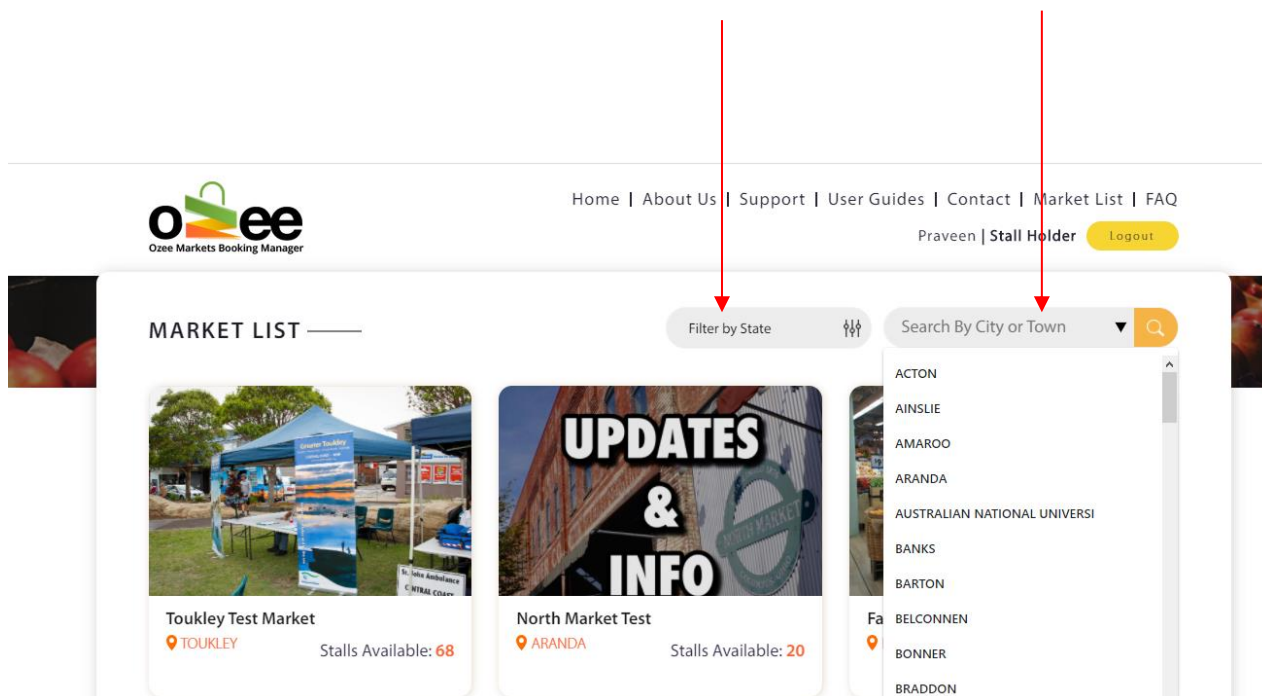

3. SEARCH FOR A MARKET LOCATION

You have *two options* to help find your desired market.

- You can use the filter by state or by state and city or town
- Or you can select the market from the displayed list

Filter by state or by state and city or town: Choose the state for the location of the market

First *filter* by the State of your preference, next *select* the City or Town of choice from the drop-down list and *click* on the ‘magnifying glass’ icon to display the markets. Or with the filter on the State of your preference simply *enter* the town or city you are looking for and *click* on the ‘magnifying glass’ icon

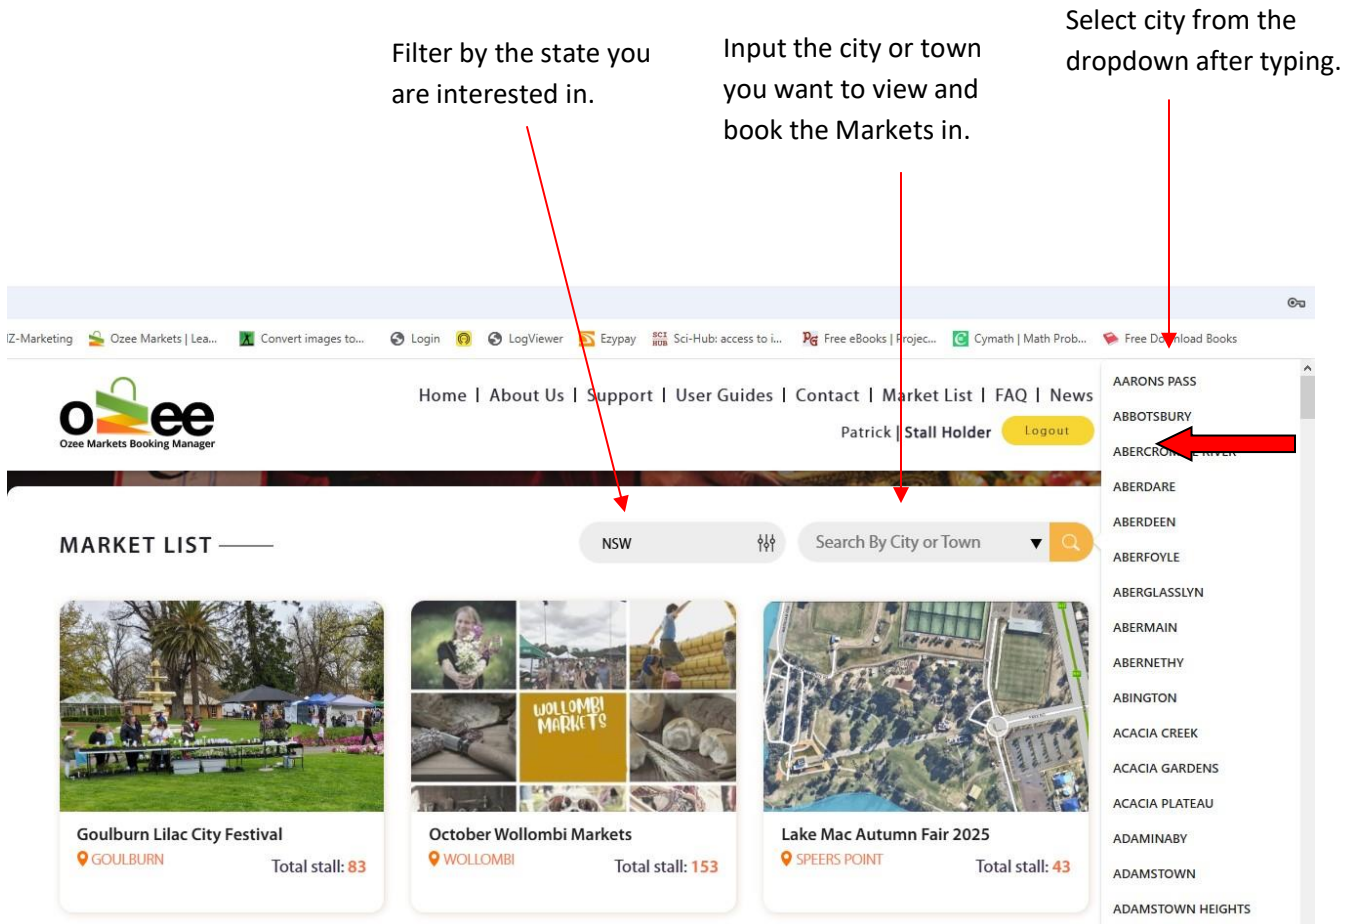

Note: By default, only the first 500 cities and towns are shown under a state, if you don't find the city in the (select city/town) drop down (please follow these steps),

Step 1: Choose a state from the state filter dropdown.

Step 2: Type the city or town name on the search bar

Step 3: Select the city or town of your choice from the dropdown.

The screenshot shows the Ozee Markets Booking Manager interface. At the top, there is a navigation bar with links: Home | About Us | Support | User Guides | Contact | Market List | FAQ | News. Below this is a user profile section showing 'Patrick | Stall Holder' and a 'Logout' button. The main content area is titled 'MARKET LIST' and features a filter dropdown set to 'NSW'. To the right of the filter is a search bar labeled 'Search By City or Town'. A dropdown menu is open, showing a list of cities and towns, with 'ABERCROMBIE' highlighted by a red arrow. Three market listings are displayed below the search bar:

- Goulburn Lilac City Festival**: Location: GOULBURN, Total stall: 83
- October Wollombi Markets**: Location: WOLLOMBI, Total stall: 153
- Lake Mac Autumn Fair 2025**: Location: SPEERS POINT, Total stall: 43

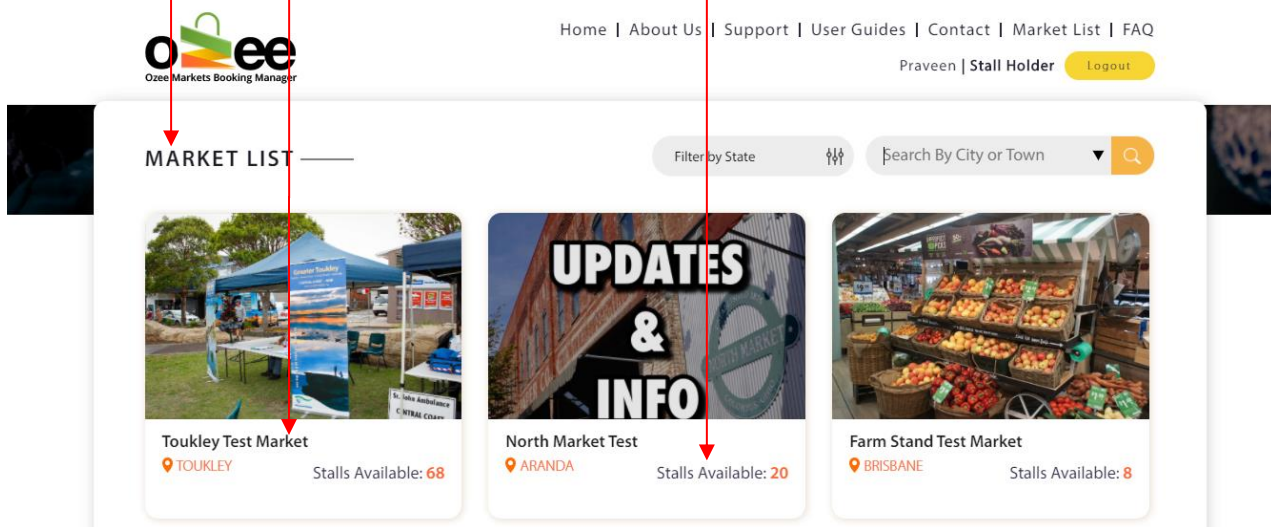

Annotations with red arrows point to the 'NSW' filter dropdown, the search bar, and the 'ABERCROMBIE' dropdown menu.

From the market list: Your market selection is now displayed in the Market List.
